

ISUB MBZ 2

Product Sheet

The ISUB MBZ 2 high-fidelity subwoofers kit for Mercedes-Benz is part of the reference solution for drivers who want to easily and discreetly integrate a complete high-end audio system into their vehicle. The stylishly designed left and right subwoofers are perfectly integrated into the vehicle floor and considerably increase the level and quality of bass. They have been developed to make optimum use of the space available in the original locations, thanks to exclusive Focal technologies.

Key Points

- Developed in France by Focal
- Simple and quick installation
- Invisible integration in the vehicle's interior
- High fidelity sound and high power capability
- Dedicated left and right speakers
- Plug & Play OEM connector dedicated to the vehicle
- Installation video tutorial available on Youtube
